

WHY STUDY THE CREED?

Catalyst of Christian hope, Christian courage, and the ordering of the Christian life.

THE INVISIBLE ENGINE

The engine that drives all of our activities is hope.

DRIVEN BY HOPE

General hope and Ultimate hope.

THE WARNING

When general hope becomes our ultimate hope, we have a problem.

THE THIRD DAY HE ROSE AGAIN FROM THE DEAD

Ultimate Hope: The living King redefines everything.

ULTIMATE HOPE

1. Our Past - no longer defines us.
2. Our Present - now has purpose.
3. Our Future - is secure.

REDEFINED

The resurrection is the only hope that has the power to rewrite your story.
