

FUTURE YOU

You will arrive at the future version of yourself either accidentally or intentionally.

INTENTIONAL AND CORRECT

Future you should be on purpose and on point.

WHEN BUILDING

Foundations matter because they keep things from falling and failing.

YOU ARE BUILDING

What will the foundation of future you be?

RIGHT FUTURE FOUNDATION

My foundation is my faith.

YOU WILL CHOOSE

If your faith in Christ is not your foundation, then who or what will be?

A FOUNDATION OF FAITH

1. Rests in my position in Christ.
2. Runs after more of Jesus and His mission.
3. Relinquishes the pursuit of worldly satisfaction.
4. Rejoice in the presence of God.

THIS HEART FOUNDATION

God's heart for you is the foundation of your heart for Him.
