

THE TARGET

Build clarity of and passion for living Jesus-centered lives.

BASIC BUT IMPORTANT

Movements slow down and eventually break down when they lose sight of the mission.

THE CHALLENGE

We tend to move from mission to maintenance.

IF WE'RE NOT CAREFUL

Christianity becomes moral maintenance rather than participating in the global and generational mission of God.

STARTING POINT

Don't miss the mission.

GOSPEL URGENCY

I live like Jesus could return at any time.

OWNS THE LOCAL CHURCH

I live with a "we" mindset, not a "me" mindset.

RESTS IN THE SOVEREIGNTY OF GOD

I live at peace knowing God is in control.

STAYING POWER

The target won't matter to us if we don't believe that He and His ways are better.
