

# TWO

## It's What You Do

Matthew 4:12-20

---

### THE CONNECTION

Who we really are is verified or nullified by what we actually do.

### KEEP IN MIND

Jesus is always inviting us into a better reality.

### THE BETTER REALITY

The better we follow Jesus the more we experience the best for our life.

### IT'S WHAT YOU DO

If you are not fishing, you are not fully following.

- Fishing = connecting people to Jesus.

### GOING FISHING

1. Starts with a choice.
2. Flows from transformation.
3. Results in a practice.

### THOUGHTS ON FISHING

1. Are you convinced that you are sent on a mission? (belief)
2. Is it nice or a necessity that people connect to Christ? (burden)

### INCONSISTENT

There is no such thing as an obedient Christian who does not share his or her faith.
