

THE PATH

Direction determines destination. Attention determines direction.

DISTRACTED

When our attention is off, so is our life.

PRIDE'S PROBLEM

At its heart, pride puts attention on me.

PARADOX

Humble people have what prideful people want.

GET IT TOGETHER

God lifts up those who lower themselves.

HUMILITY THINKS:

1. Service over self.
2. God's praise over man's praise.

PAY ATTENTION

Our attention belongs to Him and them.
