

REMEMBER

Revelation shouldn't cause fear; it should give fuel to our faithfulness.

COASTING

Keeping momentum is better than having to rebuild it.

DANGER ZONE

Our reputation precedes us, and we start to coast.

THE REAL PROBLEM

Reputation no longer reflects our reality.

WAKE UP!

Coasting kills.

HOW TO KILL COASTING

1. Strengthen what remains.
2. Stay connected to the source.
3. Soak up the WHY.

WALK THE WALK

Is your faith reputation or the real thing?
