

**THE BIG IDEA**

For every button pusher around me, there is a button in me.

**HOW IT FEELS TODAY**

There is more and more complexity and less and less consensus.

**IN A COMPLEX WORLD**

We have no shortage of people disagreeing with us.

**BUTTON PUSHED**

**A GODLY CHOICE**

Choose to win the person, not the argument.

**THREE CHECKPOINTS**

1. Be mindful of what conversations you choose to have.
2. Be careful of having good theology with a bad testimony.
3. Be resolved to be resilient.

**FOR THE CHRISTIAN**

What do people around you think of Jesus based on how you engage disagreements?
