

## CHRISTMAS TIME

The disruption demands a discussion.

## THIS CHRISTMAS

Let's attempt to look at the original Christmas like it is our original look.

## IT MATTERS

Setting the stage for a "thing" helps with the success of the "thing."

## SETTING THE STAGE FOR THIS SEASON

Set your mind and heart to be on the lookout to see specific realities.

## ORIGINAL CHRISTMAS

We would see what was marvelous we have allowed to become mundane.

- The closer we look, the better it gets.

## AS YOU LOOK

1. You see the power of God.
2. You see the extraordinary use of ordinary people.
3. You see the provision of salvation.
4. You see the proclamation of the kingdom.

## WHY BETTER

The closer you look, the more you see the greatness of Jesus.
