

THE WHY

We can fall and fail, and when we do, it hurts good people and hinders gospel proclamation.

THE WISE THING

In humility: find and fix our Achilles heels.

EVERYONE IS DOING IT

Social pressure is real, and no one is immune to it.

MUST ASK

What type of pressure do I feel from the people I walk through life with?

WHY EASILY MOVED

The affections of your heart are the source of the actions of your life.

THE RIGHT AFFECTIONS

Christians set their heart through the lens of the Most High.

CHOOSE WISELY

Your social circle is a spiritual decision.

- A heart for God will want people who create positive spiritual pressure.

SOCIAL CIRCLE

1. Take inventory.
2. Stock the cupboard.

THE MASTER KEY

Spend more time in your relationship with Jesus.
