

THE POSTURE

Christians recognize the value of wisdom.

THE WISDOM OF WHITE HAIR

Life experience is a great teacher to the teachable.

NO TIME MACHINES

Learn it so I can apply it, and then I won't have to regret it.

ON REPEAT

Parents are trying to figure out how to parent. Parents parent. Kids think they already have it all figured out. Kids kid. Homes have conflict.

A HUGE LESSON

Every person has to learn how to appropriately relate and respond to authority.

TO MY YOUNGER SELF

You can't be living for God if you are living against your parents.

- Parents are placed and positioned by God.

LIVING WITH, NOT AGAINST

1. The actions of obedience.
2. The attitude of honor.
3. The anticipation of favor.

IN THE MIRROR

Does the testimony of God I give match the treatment of my parents I live?
