HEBREWS 11:6, ROMANS 10:9-10

STATE OF CHRISTIANS

Orthodoxy is suffering among professing Christians.

STUDYING THE CREED

1. Forms Christians theologically.
2. Connects Christians historically and globally.

DO NOT BE CONFUSED

The Creed is not scripture and is not magic.

I BELIEVE IN

Truths that are in your bones and drive your behavior.

- 1) I - the truths are personally claimed.
- 2) Believe - correct content fueling a dramatic devotion.
- 3) In - what you hold to is not about you, it is about God.
