

DETOURS: THE APPROACH TO DETOURS

PROVERBS 16:9, JAMES 1:2-5, 4:13-15

LET'S BE HONEST

We like control and comfort, so we don't like detours.

DETOURS

Unplanned, unexpected, unwelcomed deviations in the direction of our lives.

BASED ON THE WORD

We should expect unexpected detours.

THE APPROACH TO DETOURS

Embrace over endure.

WHY EMBRACE

1. The goal is development, not destruction.
2. God is present, not absent.

THE SECRET SAUCE

I should want to embrace any path that leads to spiritual growth and God's glory.
