

OVER THE SUMMER

Don't miss the emphasis on your inner life.

JUST THE WAY IT IS

Crisis clouds our thinking.

ALWAYS, BUT ESPECIALLY

We need to think about what we think about.

NOTE

An aspect of thinking is remembering.

MEMORY PROBLEM

We forget what we should remember and remember what we should forget.

WITH GOD

Remembering God's work strengthens your walk.

- Remembering is an intentional choice.

REMEMBERING (VIA THE EXODUS)

1. The day of your deliverance.
2. The guides on your path.
3. The divine intercessions in your story.
4. The movement of your spiritual community.

THE ISSUE

God has and will move. Will we notice and remember?
