

APOSTLES' CREED: THE BEAUTY OF BOTH

MATTHEW 6:9-13

WHY STUDY THE CREED

Connects Christians historically, globally, and theologically.

BELIEFS IN THE CREED

Truths that are in our bones and drive our behaviors.

THE TRUTH ABOUT OUR FATHERS

Our fathers are the filter.

GOD THE FATHER

Our Father is infinitely powerful AND intensely personal.

WHY DOES IT MATTER

A solely powerful God lacks relationship.

Without relationship, God is either apathetic or angry.

A solely personal God lacks authority.

Without authority, God is either a good guy or a genie.

HE'S BETTER THAN THAT

The Creator God is better than our created god.
