

THE WHY

Because we drift and drifts are dangerous, we must routinely recalibrate.

DEFINING RECALIBRATE

Recognize. Evaluate. Adjust. Do.

YOUR DESIRE

Connect those you care about to good things.

IF YOU ARE CHRISTIAN

You believe the best of good things is God. Yet, we often long for, more than live out, connecting those we care about to God.

RECALIBRATE - RECOGNIZE

This home is focused on Him.

Attention, not intention, makes the difference.

ATTENTION

1. All-skate.
2. Dog with a bone.
3. Grab a mop.
4. The win is clear.

EVALUATE

Go all in on honesty and humility.

ADJUST

Small, slow, daily.

DO

The Lord is with you and for you.
