

THIS SERIES

Voices create thoughts, thoughts become actions, and actions produce your life.

IN RELATIONSHIPS

Just because you are not hearing anyone doesn't mean someone isn't speaking.

OFTEN

We tend to only hear what we are already listening for.

LISTEN UP

Every Christian should be wary of losing their way.

GOD IS SPEAKING

God speaks to His children through His church.

THE CHURCH'S VOICE

1. God speaks through the leaders of a church.
2. God speaks through the ways of a church.
3. God speaks through the culture of a church.

DON'T BE DECEIVED

If we don't listen to how God speaks and where God is speaking, we will always wonder why God isn't speaking to us.
