

CORRECTING THE PAST

Be sure that Godly habits and understandings about money are seen as foundational for the disciple of Jesus.

FOUNDATION

Because God is first and best, we bring Him our first and best.

STUCK AT “WANT TO”

We have the education of what to do, but we lack the education on how to do it.

VERY SOBERING

Communities can be judged for their dealings with money.

WHAT ABOUT US

Is Grace Fellowship robbing God?

AT SOME POINT

The rubber meets the road around what we bring.

DECIDED IN YOUR HEART

Leverage revelation over reason.

THROUGH REVELATION

1. You experience joy.
2. You see God.
3. You bless others.
