

**ELIJAH'S STORY**

God uses a man through a mountain top showdown to fight a culture consumed by evil.

**THIS OR THAT**

Every day is a string of either/or choices.

**TRUTH IS**

Some choices should not be hard to make.

**MAKE A CHOICE**

Who or what do you really believe is god? (And live in light of that choice)

**EASY CHOICE**

God is greater than \_\_\_\_\_.

**CHOOSING GOD**

1. Admit there is a decision to make.
2. Affirm that only God provides what other gods promise.
3. Acknowledge the gift of receiving versus achieving.

**THE GOSPEL STORY**

Don't miss the connection to the work of Jesus.

**CHOOSE**

Get off the fence and follow your God.
