

REALITY CHECK

Creed without deed is damaging to the credibility of Christianity.

REAL FAITH

Where is the profession AND practice of my faith not in line with the Bible?

EVERYONE BUT

We are experts at being the exception.

CHRISTIAN ATHEIST

I say I am a Christian, but because of “but they,” I don’t have to forgive.

BECAUSE “BUT THEY”

We believe we have justification to administer the justice in this situation.

EVEN IN “BUT THEY”

You be Christian and let God be God.

- Within relationships, kingdom behavior reveals the King.

BEING CHRISTIAN

1. Fight for the relationship.
2. Avoid trying to get even.
3. Choose to bless.

REALLY HELPFUL

Be intimately aware of your own sin.

THE SOURCE

The key to living like Christ is knowing Christ.
