

## YOUR LIFE TODAY

You have past regrets that were preventable, current realities that are irritable, and future dreams that will be unattainable - and all of it could have been or could be changed if you “got it together.”

## LET’S BE HONEST

The lives most of us have, are, and will experience are predictable.

## PRINCIPLE OF THE PATH

Direction determines destination. And attention, not intention, determines direction. And attention is rooted in conviction.

## THE GET IT TOGETHER CONVICTION

God’s ways > Your ways.

Call Out: Knowing God’s ways without doing them is experientially no different than not knowing God’s ways.

## EMBRACING GOD’S WAYS

1. Acceptance of reality.
2. Pursuit of wisdom.
3. Embrace of discipline.

## CONNECT THE DOTS

If you look, you will see this conviction in Jesus’s life and death.
