

TEST THIS

Your Christian life would be richer if your understanding of the church was deeper.

THE CHURCH

The called out ones sent to call out the kingdom.

IMPORTANT PRINCIPLE

Not everything is prescribed in the Bible for Christian and church life, but what is, we are to obey.

VERY HELPFUL

“How” is helpful to winning with a “what.”

AS IT RELATES TO THE CHURCH

God has graciously given us a big piece of the how for the what - it is called the local church.

THE LOCAL CHURCH

The geographical gathering of the scattered called out.

THE GEOGRAPHICAL GATHERING

2. Construct
3. Commitment
