

SERIES PREMISE

Your Christian life would be richer if your understanding of the church grew deeper.

SIMPLE BUT IMPORTANT

The big things in life are made up of a bunch of small things.

- The health of the whole is never better than the health of the parts.

LET'S BE CLEAR

Our church is built on the faithfulness of the many, not the talents of a few.

TO HELP PEOPLE LIVE JESUS-CENTERED LIVES

Own your church.

OWNING OUR CHURCH

1. Practice personal spiritual disciplines... and put them into practice.
2. Prioritize your presence.
3. Play your part.
4. Pursue the lost.
5. Pay it forward.

REALITY CHECK

If everyone owned our church the way you do, how healthy would our church be?
