

CONSIDER ELIJAH

What can we learn from the story of a man trying to live for God?

LET'S BE HONEST

There is a whole lot of life after the “happily ever after.”

IN LIFE

Often the valleys are more familiar than the mountaintops.

LEAN IN

Struggling is inevitable; persevering is optional.

FOUNDATIONAL TRUTH

God sticks close in our struggle.

THE PERSISTENCE OF GOD

Provision - God promises to provide.

Presence - God draws near to the broken-hearted.

IN THE STRUGGLE

Don't run from a God who is running to you.
