LOOK

- Why were the believers so excited when Peter and John came back?

- How does this correspond with what’s happening in the early church?
- What does Acts 4:27-28 tell us about God’s plans for us?
- How does that encourage you today?
- In Acts 4:29 what did the disciples ask for? What does boldness look like for you?
- In Acts 4:30-31 what do they ask for? How do signs and wonders spread the Gospel?
- Why don’t we pray for this more in our lives?
- What happened when the people were filled with the Holy Spirit? Where do you need God’s power in your life?
- In Acts 4:32-37 what happened in the church? How can we do these same things today as a church or small group?
- Why was this such a great manifestation of Gods grace and love for each other? This is a picture of what the Church should look like. How do we measure up today? Why is that hard for us?

TOOK

- Why do you think they realized that Peter and John have been with Jesus?
- Do you think people would say that about you today?
- Peter and John were just witnesses of what they had seen and heard. How can this be your testimony too?

PRAY

- Pray to be filled with the Holy Spirit. Pray for power. Pray that God would use you with signs and wonders to spread his love and grace to others.
- Think of How your group can resemble the early church in your giving and love for each other.
- Pick a mission project to do as a group this month.
