

CHURCH

LOVE GOD, LOVE PEOPLE

SMALL GROUP STARTER GUIDE

“Journey with the Holy Spirit” from 1/3 & 1/6

HOOK

Word for the year is “engage”.

What does that mean for you?

Where are places or who are people you need to re-engage with?

What are the distractions in your life that keep you from engaging with God?

How can you love people in the moment, engaging the moment?

BOOK

Luke 8:40-56

LOOK

How did Jesus engage the woman at that moment although he was busy?

What was life like for this woman?

Why was it amazing that Jesus pauses to talk to the woman?
Where was Jesus going?

Share times in Jesus ministry when he stopped what he was doing and engaged someone.

Why do we need to be open to moments where we can engage people regardless of our plans?

TOOK

Small things done with great love can change the world!

Small things can be:

- Talking to the waiter at dinner.
- Spending time with your kids.
- What ideas can your group come up with?

PRAY

Look for ways and opportunities to engage others this week .
Pray for those chances and courage to follow through.
