

SMALL GROUP STARTER GUIDE

“The Fellowship of the Believers / Peter Heals a Lame Beggar” on January 31th and February 3th

HOOK

- Who are you most like (mom, dad, etc.)? How are you like them? How are your kids like you?
- Today we'll study about how the early church reflected God and His love.

BOOK

Acts 2:42-47

Acts 3:1-10

LOOK

- What were some of the things the early church did together?
- List them and share why they would be so impacting to the believers and the community?
- How did these things reflect God's heart?
- What was the result of the acts of the early church?
- How can your group reflect these same things that were listed here?
- What does Acts 3:1-10 say is essential in life and what we have to offer others?
- Why do our expectations of God fall short of what He has for us?
- The man wanted money but what did Peter give him?
- What did that healing represent? (God's love)

TOOK

- How can you and your group, as “the church”, reach out to your world?
- What does the world need?
- How will this convince them of God's love?

PRAY

- Pray for open chances to be the Church this week.
- As a group devote yourselves to each other and offering God's love and healing to those who are crippled in life.
