# First 2 visions of Revelation

Vision one- The events  
 Vision two- The players

# ***Revelation continued...***

- **We've seen the two vision comparison.**
- **We'll look into some timing in Revelation**
- **Seals, Trumpets, and Bowls.**
- **Daniel 12**
- **75 days extra and the *potential* reason for them.**
- **A brief look at few characteristics of the antichrist.**

# Some timing

- We've seen the time comparison of Revelation 6-7 with Matthew 24:4-31. Odds are still 1 in 3 trillion!!!
- First vision Rev 4-11 we see the opening of the seals in Chapters 6-8:1. (remember vision one is primarily focused on the EVENTS)
- We also see the Trumpet judgements in chapters 8-11 along with the 2 witnesses of chapter 11.
- *Then we have a potential "TIME DISCREPANCY" between Revelation 11:3, 12:16, and Daniel 12:11,12*

# ***2nd Vision***

- **From Chapter 12-15:5 gives us the same story as the first vision, only now it shows the players, and what's happening from a heavenly vantage point.**
- **We see “The Woman” = Israel**
- **The Dragon = Satan**
- **The Dragon enraged (12:17) and making war with all of The Woman's offspring. Every Jew and Christian.**
- **12:13 is the “Abomination of desolation”. Matt 24:16 “let those who are in Judea flee to the mountains.”**

- **Revelation 13 shows us the beast, false prophet, and introduces us to the “MARK”**
- **Revelation 14 shows the “patience of the saints” (14:12)**
- **14:15 - The reaping of the saints (rapture)  
“Harvest of the earth”**
- **14:18- The reaping of the “vine of the earth”  
in contrast to the “True Vine”**

# 3rd Vision-Judgment

- Chapter 15:6-22:5
- The bowls are poured out swiftly and violently.  
*Revelation 16*
- The Bowl judgements correlate almost exactly with the trumpet judgments!
- Why some believe that the rapture is at the “Last Trump” (1 Cor 15:52) before the bowls of God’s wrath .

# **We have some questions...**

- **If the 2 witnesses in Rev 11 are to prophesy for 3.5 years, and are taken up, and the 144,000 are also sealed not absorb the wrath of God, when are the “Bowls” poured out???**
- **At the end... right???**
- **But at the end of Daniels 70th week is The Millennium, RIGHT???**
- **So when are the BOWLS???**

***The 75 days after***

- ***we have a potential “TIME DISCREPANCY”  
between Revelation 11:3, 12:16, and Daniel  
12:11,12***

Revelation 11:3 12:16

1,260 days

Daniel 12:11,12

1,290 = **30** more

1,335 = **45** more

for a grand total of

**75**

# ***BOWL JUDGEMENT***

# What do we see?

- End of the first vision 11:19- TEMPLE
- End of the second vision 15:5- TEMPLE
- The Bowls are poured out at the end of the Great Tribulation (3.5 years) for the additional 75 days.
- Where we'll see the judgment of the nations who sided with the beast in Rev 17.
- Judgment of The Beast and false prophet and the casting down of satan for 1000 years.
