

## DISCOVERY BIBLE STUDY GUIDE 2.25.24

### CONNECT: Start a conversation with your group.

Where have you seen **God's goodness** lately? Where do you see God at work in your life and the lives around you?

What is a **challenge** you're facing? How is God **shaping your perspective** on this challenge?

How did you do with **putting into practice** what we discussed last time we gathered?

Who are you investing in who is **far from God**? In what environments are you currently spending time serving/loving/caring for those who don't yet know God?

Is there someone who **needs our help**? **How** can we help them?

### FAMILY MOMENT:

*Start your Move Group time or mealtime by **including your kids in some of this conversation**. Stick to **one question** and have kids listen and share, too.*

---

### DISCOVER: Read a passage of scripture together:

**Suggested passage:** Luke 6:46-49; Luke 9:23-26; 1 Timothy 6:17-19

Have someone put the passage in their **own words**.

What **stands out** to you? What catches your attention in this passage? Why?

What does this text say about **God**?

What does this text say about **people**?

---

**GO: Commit to a step and start living it out this week.**

What are you doing or believing that is in **opposition** to this scripture?

Is there anything in relation to this passage that God has been **growing** you in? Where do you still have **room for growth**?

How can you specifically live out this passage in the next few days (**create an “I will” statement**)?

What **stands in the way** of you really applying this? As a group, how will you **hold one another accountable**?

**FAMILY MOMENT:**

*Read the scripture from a kid-friendly Bible. After the reading is finished, have the kids draw a picture or build something with Legos about what stood out to them. (This can be done during adult conversation) After adult discussion time, have kids share their pictures or builds with the adults. Eventually, you can do the same with other questions.*

**You may also choose to spend time discussing and practicing the DAILY SURRENDER TOOL with your group** (watch the livestream Sunday celebration from 2/25/24 for instruction on the Daily Surrender Tool).

---

**PRAY: Pray together as a group.** Include your kids in your **prayer time** and pray about what was shared.

**\*LIVING ON MISSION\***

*Include your kids when you serve or live missionly. Have conversations about why you are loving others and how it points people towards Jesus.*
