

## **DISCOVERY BIBLE STUDY GUIDE 10.8.23**

## CONNECT: Start a conversation with your group.

Where have you seen **God's goodness** lately? Where do you see God at work in your life and the lives around you?

What is a **challenge** you're facing? How is God **shaping your perspective** on this challenge?

How did you do with **putting into practice** what we discussed last time we gathered?

Who are you investing in who is **far from God**? In what environments are you currently spending time serving/loving/caring for those who don't yet know God?

Is there someone who needs our help? How can we help them?

## DISCOVER: Read a passage of scripture together:

Suggested passages: Mark 4:1-20; James 1:2-4; Colossians 2:6-7; Philippians 1:3-6

Have someone put the passage in their own words.

What stands out to you? What catches your attention in this passage? Why?

What does this text say about God?

What does this text say about people?

## GO: Commit to a step and start living it out this week.

What are you doing or believing that is in **opposition** to this scripture?

Is there anything in relation to this passage that God has been **growing** you in? Where do you still have **room for growth?** 

How can you specifically live out this passage in the next few days (create an "I will" statement)?

What **stands in the way** of you really applying this? As a group, how will you **hold one another accountable**?

Pray together as a group.
