

## **DISCOVERY BIBLE STUDY GUIDE 10.22.23**

## **CONNECT:** Start a conversation with your group.

Where have you seen **God's goodness** lately? Where do you see God at work in your life and the lives around you?

What is a **challenge** you're facing? How is God **shaping your perspective** on this challenge?

How did you do with **putting into practice** what we discussed last time we gathered?

Who are you investing in who is **far from God**? In what environments are you currently spending time serving/loving/caring for those who don't yet know God?

Is there someone who **needs our help? How** can we help them?

## **DISCOVER:** Read a passage of scripture together:

Suggested passages: Mark 4:1-20; Galatians 6:7-10; Galatians 5:13-26

Have someone put the passage in their own words.

What **stands out** to you? What catches your attention in this passage? Why?

What does this text say about God?

What does this text say about **people?** 

## GO: Commit to a step and start living it out this week.

What are you doing or believing that is in **opposition** to this scripture?

Is there anything in relation to this passage that God has been **growing** you in? Where do you still have **room for growth?** 

How can you specifically live out this passage in the next few days (create an "I will" statement)?

What **stands in the way** of you really applying this? As a group, how will you **hold one another accountable?** 

Pray together as a group.
