

# ***Creator Time Continua & Creator Set Time Phases***

The **Creator** is ONE:

- LORD = YHWH - Yahovah
- God = El/Elohim
- Elyon = God Most High
- Lord = Adonai
- Jesus Christ is Creator of all that exists {John 1:1-4}

*“Abram said, ‘I have sworn to the LORD {YHWH} God Most High {Elyon},  
possessor of heaven {shamayim} and earth {eretz} ...’”* {Genesis 14:22}

## **Time:**

- Boundaries, markers, measurements of lifespan for all of creation
- Days counting seven of creation and repeat
- Months (moonths) according to the moon measured by new moons
- New moon count with four seasons of a year
- Year count for dating the works of YHWH and the works of man
- Eternity without end – everlasting
- End of phase (qualified by the sunset end of each day)
- The end of authority, reign, life, etc. (lake of fire)

## **Continua:**

A continuous sequence in which adjacent elements are not perceptibly different from each other [can also be] the set of real numbers.

Giving our time authority away to evil causes paradigm shifts in the Creator's Time Continua & the Creator's Set Time Phases

Creator Time Continua:

"There was evening, and there was morning, one day." {Genesis 1:5, etc.}

## Creator Set Time Phases:

The Creator (YHVH/Elohim) Set all time into protective phases for the increase of life (zoé)

The Creator set the boundaries of time in such a way that time constructs a climatic holding place for each of the Creator's application.

One simple way to see this is:

- The time comes for the devil to be thrown into the lake of fire. The devil is doing time.
- Believers are given eternal life by Jesus Christ
