#### **Study Questions:**

#1 What is a skill or value of previous generations that will be lost by the present-day generation? Why is this?

#2 As the Israelites entered into the Promised Land, what things might have distracted them from the task of effectively passing down their faith? What might be a modern equivalent?

#3 How did you learn about Jesus? Who taught you?

#4 How concerned are you about the present state of Christianity in America? How does God's sovereign rule impact our thinking about the future?

#5 What was the "Halfway Covenant?" How do the circumstances and decisions surrounding it speak to our theme for this week?

#6 In general, do you think the American church has been more concerned in recent generations about producing good kids who stay out of trouble than dedicated Christ followers? What might be the implications of this over time?
