

# THE PROBLEM WITH THE BIBLE

## AUGUST 7, 2022

Would you like to know the Bible better? Do you find it hard to do?

Many people \_\_\_\_\_ the Bible, but don't \_\_\_\_\_ it.

### The Problem With the Bible:

**1) The way we** \_\_\_\_\_.

We often learn the Bible in isolated bits and pieces; stories and verses from here that seem to be very isolated and disconnected.

The Bible tells a \_\_\_\_\_.

**2) The way it is** \_\_\_\_\_.

The Bible is a story, but it doesn't always read like one.

## Why We Are Using “The Story”

---

---

---

“The Story” is not a replacement for the Bible, rather it is a gateway.

## Why You Need to Do “The Story”

1) This isn't just a story, it is \_\_\_\_\_.

Knowing God's Story gives me an identity, purpose, value and destiny.

2) God's Story \_\_\_\_\_.

God is writing the next chapter of His Story today.

3) The Story \_\_\_\_\_.

The story of who God is and what He has done saves lives for eternity.
