BENEDICTION

WHY DO WE DO THAT?

Discipling Our Kids

We want our kids to know and love Jesus! As our kids grow, God intends for both parents and the church to play a role in that process.

We believe that the rhythms and practices of the gathered church have a huge impact on our children. When kids worship with their parents, watch their parents sing to God, pray, and listen to God's word, it does something in them. This is why we love having children in the service for the majority of our gathering.

Our nursery is always open for children under the age of 3. Kids aged 3 through 4th grade can participate in our Summit Kids program during the sermon portion of the service. This gives them a chance to hear God's word taught in ways that are age-appropriate and understandable. If you have any questions about our approach to children's discipleship, let us know!
