WHY DO WE DO THAT?

The Songs We Sing

Worship through song is an integral part of our corporate gatherings at Summit. Not only do we enjoy singing together, but Scripture is clear that we are to encourage each other and worship God through "psalms, hymns, and spiritual songs" (Col 3:16, Eph 5:19-21).

Everything we do in our services shapes us, and singing is no different. We intentionally and prayerfully sing songs that describe, define, and respond to truths about God and who we are as His children.

You might be wondering how we pick the songs we sing! We carefully strive to select biblically sound songs that are singing-able and are a mixture of older (hymns and songs of the church) and newer melodies (Psalm 33:3) as well. When we are together we want to make much of Christ and His Gospel, all with thankfulness and joy in our hearts!
