Upcoming Pastoral Changes at St. John's

This summer will hold several pastoral changes for our congregation. Pastor Mount has previously announced his decision to step away from our church. His last sermon will be June 14th. We wish God's blessings to him and his family!

Our leadership has been working with District President Pastor Jensen who has been offering guidance to help our church through this time of transition. Several key changes are in the works, including finding pastors to assist us during this vacancy. More details will be announced over the next couple of weeks.

We have issued a new call to Staff Minister Ryan Kummerow to coordinate our shut-in member ministry. Please pray for him as he deliberates this call to serve within our congregation.

Please continue to pray for our congregation and our leadership as we navigate through this time. We trust God will direct our path and use all things to His glory.

Help Wanted for VBS:

Hosting an event like VBS takes many hearts and hands! We are looking for food donations and volunteers to help with crafts, games, and serving snacks. Please see the sign-ups in the narthex at Juneau and Salem-Lowell and contact Char Lober (920-219-0122) with any questions!

Summer Eagle Care Program

Our Eagle Care program will be continuing through the summer! It will be open to kids ages 5-12 and will run 6:30 AM-5:30 PM (as needed) from May 26 to August 14. Please contact the school office for more info: school@stjohnsjuneau.com / 920-386-4644.

If you would like to support the program, scan the QR code to find their wish list or contact school for assistance.

Eagle Care Program Help

We are looking for someone to help with our Preschool Eagle Care Program during the next school year for 2 mornings a week- Monday and Wednesday. We could also use assistance with our After School Care Program for two afternoons- Monday and Thursday. If you have interest in helping with either of these programs, please contact Crystal Schultz (920) 210-9263.

A Friendly Reminder!

Please be respectful of our church's neighbors when parking on the street. Remember the 4-foot rule. Parking is not allowed 4 feet on either side of a driveway. It is a safety hazard when vehicles are blocking a driveway, even a little bit, and those vehicles can be ticketed and/or removed at the owner's expense. This will be especially important to remember when our parking lot undergoes repairs later this summer! We appreciate your willingness to be a good neighbor when worshipping or attending events at St. John's!
