Bible Information Classes Starting in Fall

We will be starting a Bible Information Class (BIC) shortly after Labor Day in September. We will meet weekly for 90 minutes (day and time TBD) under the leadership of Pastor Papenfuss, one of our new vacancy pastors who will be joining us this summer. The course is a collection of Bible passages organized under 20 topics. Check with the church office if you want to see what those 20 topics are.

This class is perfect for those new to the Christian faith or simply curious what we believe! If you would like to become a member of St. John's and do not have a background in the WELS/ELS, we would ask that you take this class first to learn exactly what we believe. This class is also an excellent opportunity for those who have been around for a while, but have new questions or simply want a 'refresher'. Pastor Papenfuss loves to answer questions about the Bible's doctrines.

If you are interested in the class, please contact the church office: office@stjohnsdodgecounty.com or 920-386-3313. We will be reaching out to interested individuals to determine the best day and time for everyone to attend.
