TAKE-AWAYS

- 1. God does not prohibit the accumulation of wealth; he commands it. It is the location of that accumulation that determines whether it is a part of a healthy kingdom fit life or not.**
 - *“store up for yourselves treasure in heaven...” Matthew 6:20*
 - 2. When we know that wealth is not a sin but a blessing, we will want to bless others. Your blessings are not in competition with others. We are not drawing from a finite pool of blessings. Rather God blesses us from His infinite pool of riches.**
 - *“And my God shall supply all your need according to His riches in glory by Christ Jesus.” Philippians 4:19*
 - 3. A kingdom fit life recognizes that our increase is what the world calls excess. It is not excess, but the increase God blesses us with so that we may use it unselfishly to sow into the kingdom expecting a return.**
 - *“Bring the full tenth(The first of your increase) into the storehouse so that there may be food in my house.” (provision) Test Me in this way, says the Lord of Armies.*
-

“See if I will not open the floodgates of heaven and pour out my blessing for you without measure.” Malachi 3:10

ACTION STEPS:

Examine your giving priorities this week. Do you spend your disposable income with no regards to the needs of others? If you will look at opportunities to invest in the kingdom from an infinite pool of God’s resources available to you, then blessing others will become a joy instead of a chore.

“Give and it will be given to you; a good measure - pressed down, shaken together, and running over - will be poured into your lap. For with the measure you use, it will be measured back to you.” Luke 6:38
