BACK IT UP IN THE WORD

3 SUPPORTING SCRIPTURES FOR EVERY LINE OF THE DECLARATION

1 Corinthians 13 isn't just a wedding reading. It's a blueprint for how a daughter of the King treats people — at home, with friends, online, under pressure. These 3 supporting verses per line show you that this kind of love is **God's consistent standard all through Scripture, not a soft ideal.**

HOW TO USE THIS

Read the declaration line first, then dig into the supporting scriptures here. **Don't just read the reference — open your Bible and read around it.** Ask: "Where do I actually need to live this out this week?" One line per day is a solid plan.
