

My name is Terry Robinson, and my devotional is on “Spiritual Blessings in Christ”

The good news about the “Spiritual Blessings in Christ” is that they are far greater than any earthly prosperity, because none of those things will follow us to heaven. Spiritual Blessings will be here and into eternity.

It is a blessing to know that we were Chosen Before the Foundation of the World and to know that our life truly matters to the Lord. Today God wants us to know Our existence here on earth isn't an accident but by God's divine order.

God was thinking about our destiny here on earth before He ever said, “Let there be light.”

In Christ we are blessed to be Holy and Blameless before God. This means that we are fit to serve Him and worship Him despite our shortcomings.

God loves and enjoys when we praise and worship Him in Spirit and Truth because this is when His blessings move through our life so we can be a blessing to others.

Today, at this very moment, we stand in His agape or unconditional love. My brothers and sisters there are times we need to make the following confession,

“Jesus, I thank you for blessing me with your unconditional love and I receive your unconditional love with humility and gratitude.”

We should often meditate on how blessed we are to have been Predestined and called to be His own in Christ. God has selected us to be His son or daughter. We are a part of His family. He is our Father.

Many times, when parents adopt a child, they go through a selection process for making a decision on who they will adopt and who they will not adopt. God already went through His decision-making process about you and I long time ago and decided to adopt us as one of His children.

We are accepted in Christ. And we are not rejected. We are not outcasts. Think about it The Creator of the universe has accepted us in Christ through His Righteousness.

When we walk daily into His Righteousness we are pleasing to God. We have Redemption through the Blood of Jesus.

Outside of Christ we were a slave to sin and eternal death. We couldn't buy or earn our way out of it. We are Blessed that Jesus paid the price for our freedom through His death, burial, and resurrection.

It is a blessing to know that God will forgive us for our sins when we humbly come before him and ask for forgiveness, for we all have sinned and fallen short of the glory of God.

We are blessed with the Riches of His Grace that abounds to us. His Grace means “unmerited favor.” Abound means “to have in abundance.”

In Christ, there is an abundant measure of unmerited favor flowing to our life like a river that will last from here into the never-ending depths of eternity.

We are Blessed to have Obtained an Eternal Inheritance in Heaven. The Bible describes Heaven in the following manner: And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.

God’s blessings have nothing to do with feelings but everything to do with faith – faith in the Son of God Who loved us and gave Himself for us.

From the moment we trusted Jesus as our Saviour, all spiritual blessings became ours. If we are God’s children, then we are blessed. If we are Christians, then every blessing is ours.

LET US PRAY:

Father in the name of Jesus we thank you For your spiritual blessings in Heavenly Places.

We thank you Jesus that you are our light in darkness.

We thank you Lord for the same power that raised Christ from the dead lives in us!

Father In the Mighty Name of Jesus I Pray.
AMEN!

So, I have just one question for you: Are you blessed today, no matter what trials and tribulations you may be going through.
