STAFF NOTES

Calvary Family,
 SUMMER IS HERE! For a moment, the thought of rest and relaxation enters the mind, but as a mother of 3 children, I am quickly reminded that it is about to get busy! When marking on the calendar multiple camps, vacations, activities and ballgames..... the summer seems already accounted for and gone. BUT, I have to remember to take it a day at a time and focus on what I can do for Him in all these things. As you know, Calvary has many opportunities for you to get plugged into for the summer. VBS is a prime way to serve and love on students. It begins TONIGHT and I am so excited! It is a beautiful thing to see the body of Christ come together in unity by loving on kids while having fun at the same time. It is an incredible outreach to the community as well and I hope you will be a part! I pray we see God do BIG things this week!
