Staff Notes

Good morning Calvary Family!

I'm so glad to start my week with you all! This month has been so encouraging and yet convicting as we have gone through our Grow in Family series. As I look around our church building, I can't help but praise God for all the families we have with us and their desire to grow closer in Him. Remember, His command of submission is a good thing for us because in His perfection, He can only use His authority for good. I pray you see His love for you as we worship Him and as He speaks to us through Pastor Craig. At the end of service today, we would love for you and your family to join us for some yummy food and fun with the Family Food Truck luncheon. I hope you have a wonderful week in Him!
