**STAFF NOTES**

We are so excited to be able to celebrate our graduating senior class and pray a blessing over their lives this morning!

I also want to invite you to support our Wednesday Night JAM (Jesus and Music) kids as they present a musical they have worked hard on all semester long! It is the Greatest Hymn on Earth and takes inspiration from the Greatest Show on Earth as the characters hold a contest to find out what is the greatest Hymn on Earth! It all starts at 5pm in the Worship Center today!

Finally, put on your calendars a Night of Worship coming up on Sunday, June 23, that promises to be a meaningful time of us gathering and worshipping together!

**Memorial Day** was originally set aside as a day for remembering and honoring military personnel who died in the service of their country, particularly those who died in battle or as a result of wounds sustained in battle.

Please allow us to honor your loved ones by providing their name or names and branch of service to the office. You may also put the information on the back of a communication card and place in the offering plate.

**Deadline to turn in names is TODAY!**  
 We will honor your loved ones during our service May 26, 2024.
