STAFF NOTES

Hey Calvary family! What an exciting time of year. The sun is up longer in the evening. The grass, trees, flowers, and other living things are coming out of their winter sleep. Including the pollen! Ha!

It is also the time of year that we are gearing up for Easter. Next Sunday night is our Easter Experience. We hope to see everyone at Lake Forest Park as we encourage and love on our people and the community. There are also two special worship times that week. Come out on Thursday night, March 28, at 6:00 for an intentional focus on the cross. Then come back Easter morning for a great time of celebration.

As we gear up for Easter, let me remind you to gear up for people. It is a natural time for people to come to church out of curiosity, obligation, or desperation. Let's be focused on them from our parking habits to our seating arrangements and everything else. Let's do everything we can to make people feel welcomed so they may be encouraged and know they are loved by God and His people.

It's time to worship. Let's roll! -Pastor Craig
