STAFF NOTES

Good Morning Calvary Family!

Calvary is blessed to have Westley Roberts as our Facility Coordinator. This week, he showed special attention and worked along side our AC contractor to fix a 20 year old AC unit, located in the upstairs of our student center. Westley and his team are exited about our new easy-to-clean gym flooring. It has made after meal clean up and unexpected spills much easier to manage.

Update on Roofing: After recent hail storms, AJ Cook and crews have now completed putting new roofs on the parsonage, Adult Center, and the Student Center.

We are glad you're here this morning.

Lets worship together!

-Bro. Bill Kuykendall
