STAFF NOTES

Hey Calvary Family. We are coming off a great season of ministry and quickly going into holiday ministry mode. The past couple Sunday nights have been exciting. A couple weeks ago at our Quarterly Church Update, the Ministerial Staff shared all the good that God has been doing in their ministries. We also voted to have a Steering Team put together by the first of the year to get our Building Program going again. Pretty exciting!

Of course, last Sunday night was a great night of fellowship together. Congrats to Josh Allums on making the best chili and Koby Bridges and Pastor Kameron for winning the Cornhole tournament. There was a lot of laughs and smiles that night which is so good.

There are a lot of things coming up in November and December. Everything we do will focus on our God. Let's start by focusing on Him this morning.

Welcome and let's worship!

-Pastor Craig
