**STAFF NOTES**

Good morning, Calvary family! It is a privilege to be able to worship and serve with you today! From the bottom of my heart, THANK YOU, for allowing me the opportunity to serve on staff in the role of Women's Minister.

When my family moved here to be a part of Calvary, working in Women's Ministry was not even on my radar. I spent several months praying where God wanted me to serve, and I eventually kept feeling the nudge to inquire about Women's Ministry. After talking with Craig and Pastor Frank, and lots of prayer, I decided to help get things started again and see where it might take us. I will be honest, things took off a lot quicker than what I was ready and prepared for, but it has been amazing to be a part of! It has been so humbling and encouraging to watch God move and work in the lives of these sweet ladies and see them be involved in advancing His kingdom. I cannot wait to see what God has in store for the future of this ministry. My goal is to help women grow in their walk with Him, to crave His teaching, and be His hands and feet towards others. HE is good. HE is faithful. HE is worthy. May HE receive all the glory from what we do.
