STAFF NOTES

Welcome to July! I hope all of you had a safe and fun holiday celebrating our Independence as a nation. One of the things that makes this nation so great is our ability to freely gather here this morning and worship God without fear of attack, imprisonment, or death. This is a reason to celebrate indeed, as many of our fellow brothers and sisters in Christ around the world will not have that opportunity. As we praise the Lord this morning, lift up prayers for those who risk it all for the cause of the Gospel.

Our youth have returned from a fabulous mission trip to Dallas and are preparing to head to Bogg tomorrow. Thank you, Lord, for what you have done in the hearts of those who encountered you last week, and we praise you for what you will do in the hearts of our youth this week. Now...Let's worship!
