STAFF NOTES

Hey Calvary family! We are here. We have reached another Christmas Eve together. This year may have been one of the best yet. It may have been one the hardest to date. No matter what has happened, we worship the fact that Jesus is King!

Today is a little different. We know there is a lot of family activity with this day. We also believe there needs to be room for worship. We can do both. Our Morning Worship and Candlelight Service are abbreviated to give you room for all things today.

Though services may be different, I am thankful we serve the same King. I am thankful for another year with my Calvary family. I am thankful for another opportunity to praise the name of Jesus.

Let's worship!

-Pastor Craig
