## STAFF NOTES

Hey Calvary family!

What an incredible fall we have had so far. We have walked alongside believers in baptism, welcomed new members into our faith family, welcomed the Underwoods to lead our Students, had great Mid-Week studies, worshipped with everything in us, and traveled through a great sermon series called, "Find Your People."

Today is the first day of October and I have some good news for you: We get to keep on going! October will be filled with much of the same and we would love for you to be involved with everything you can. Follow along with the handout, listen for announcements, and stay informed through social media and other avenues to know all the details you need to know.

We look forward to another great month together.  
Let's worship!

PC (Pastor Craig)
